

This is my Mason's Mark that I would like to be added to the Register kept by the Worshipful Company of Masons (please draw your mark below):

# MAKE YOUR MARK

The Masons' Company, one of the oldest of London's Livery Companies recorded as far back as 1356, has launched an initiative to capture current Masons' Marks. The aim is to establish a register of today's users of these historic symbols of the mason's craft so that future generations can identify a mason's work.

If you are a practising stonemason and use a Mason's / Banker Mark, please draw your mark on the back of this form, fill in the details below, and hand in the form at the Masons Company booth on the Stone Federation GB stand at the Natural Stone Show.
